There will not be a security guard at night. It is a large, open space; leave things at your own risk.

CONFORMATION AND OBEDIENCE CONFLICTS:

We will do everything we can to accommodate people competing in different venues. If you have a conflict because you are showing in conformation or obedience, you must go to the gate steward and mark a "C" by your name so they know there is a conflict and not an absence and they can talk to the judge and approve that you can walk and run in a different jump height. Note that it is the judge's choice to allow running order changes. Please talk to the gate steward to ask to be considered for an accommodation. (Ring Stewards are Kris Arnds all days, Thurs & Fri Tawn Sinclair and Sat, Sun & Mon Miki Shannon] Usually the judge(s) will grant these changes, however, we cannot guarantee it. Once a class is finished and the course is changed it is too late. We cannot hold a ring if you are not there before the class finishes.

MOVE-UPS

All pre-show move ups must be received by 6pm, Monday, May, 20th. The AKC requires move-ups to be in writing. You may send an email for a move-up to agilesam@gmail.com with your name, your dog's call name, the name & date of the trial and what class you want the dog to be moved to.

If you miss the deadline for move-ups, you may move your dog up the first day of the show for any **subsequent** days even if you are not showing a dog that day. In addition a friend may do the move-up for you if you are not there. However you may not move up the day of the show for that day.

There will be day-to-day move-ups at the show provided the Trial Secretary receives them within **15 minutes** after the end of the last class. There will be no move-ups in the morning before the start of the trial.

However, a dog which has been entered in a Novice "A" class for which it is not eligible to be entered in due to class restrictions on the dog or handler may be moved to the Novice "B" class under the following conditions: The request for the move must be in writing and presented to the superintendent or trial secretary at least 30 minutes prior to the start of each trial. The request must state the reason and justification for the move from the Novice "A" class to the Novice "B" class.
