

## Southern California Portuguese Water Dog Club AKC Agility Trial

Friday, Saturday and Sunday, April 23, 24 and 25, 2021

**FREEDOM PARK EAST, Camarillo**

Trial Hours – FRI/SAT/SUN 7 AM – 4 PM

### AGILITY GATE APP – Code 2468

This is an app for your iPhone or iPad and coming soon for Android. With this app you can go to a class and check-in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. This will keep groups of people from congregating around the gate and help with social distancing. Open and Novice people can see what classes are running to have a better idea how the show is running. Go to [http://dogagility.info/agility\\_gate](http://dogagility.info/agility_gate) to download the app and instructions on how to use it. You can download the app before you get the code. Each night the maps will be loaded into the app.

### COVID 19

If you are sick or if you know that you have been exposed to COVID-19 or if you are uncomfortable with the precautions we are taking, stay home – **we will give you a full refund.**

### TEMPERATURE CHECK

We will be checking temperatures each day. When you arrive, before you unpack, go immediately to the trial secretary's area to get your temperature checked. When it is checked you will be given a wristband. You will not be allowed in the ring without a wristband. **Please show your wristband to the Gate Steward before you enter the ring.**

### NOTES ABOUT THE SHOW

- **ALL MATS MUST BE TAKEN UP EVERY NIGHT.** Please switch the spot of your crates; lay them on their sides overnight.
- Masks/face coverings are required at all times, except when running your dog, eating or you are in your car.
- Please be aware of who is around you and practice social distancing.
- We will provide sanitizer for our workers and the restroom, but exhibitors need to bring their own sanitizer.
- Bathrooms will be supplied with sanitizer, paper towels and disinfectant in the stalls. Do not put anything in the toilets besides toilet paper! The sink will have liquid soap. Please wash your hands. The exterior door will be propped open. Please leave it that way.
- Be prepared for the show to run slower than normal.

### HERE'S WHAT TO EXPECT

- Crating - Set-ups are to be 8'-10' apart. There is plenty of room at Freedom Park East – please spread out! Help us make it as safe as possible.
- Maps - maps will be sent to you the evening before each show and will be on the website at the beginning of the judging schedule. Maps will be put on the Agility Gate app. We will not have any printed maps available.
- Briefings – We will have a short briefing at the beginning of each group.
- Measuring – there will not be any measuring of dogs at this trial.
- Walk-throughs – We will be limiting walk-thrus to 25 people in the ring at any given time.

- c. Please be mindful that everyone needs to walk the course.
- d. **Walk the next course while the game or other group is running. When the other ring is done, we will have another 15 minutes of walk-thru time. Please allow the people that were running in the other ring (or were working) to have precedence at this time!**

- Ring Gates – we will have gates at this trial.
- Masks/face coverings – you can remove your mask/face covering when you are in the ring. At the end of your run, put your dog's leash on inside of the ring. We will have an area marked off outside the exit gate where you can put on your mask – **replace your mask before you leave this area!**
- Leashes – **We will have a leash runner.** The leash runner will transport the leashes with a leash grabber that will be sprayed with disinfectant. You can also choose to keep your leash on your body.
- Results – will be posted on the trailer.
