

Golden Retriever Club of San Diego

Saturday & Sunday Oct 24 & 25, 2020

Trial Hours 6:00am –5:00pm

Judging will commence at **8:00 AM** BOTH DAYS

Green Oak Ranch is a private facility – there will be a guard at the gate – tell him/her that you are with agility and they will let you in!

NO ALCOHOL ALLOWED – SMOKING IN DESIGNATED AREA ONLY!

Park in the lot next to the field.

Overflow parking will only be available if the main lot is full!

AGILITY GATE APP

This is an app for your iPhone or iPad and coming soon for Android. With this app you can go to a class and check-in, scratch, let the gate know you are FEO or that you have a conflict. When the class is running you can see who is running in the ring. The running order will update automatically as dogs are checked in, when they run, etc. You can stay in your set-up and keep an eye on the running order to see when you are due up. This will keep groups of people from congregating around the gate and help with social distancing. Open and Novice people can see what classes are running to have a better idea how the show is running. Go to http://dogagility.info/agility_gate to download the app and instructions on how to use it. To get the class information for this show only we will send you the trial code on Thursday. You can download the app before you get the code. Each night the maps will be loaded into the app.

COVID 19

If you are sick or if you know that you have been exposed to COVID-19 or if you are uncomfortable with the precautions we are taking, stay home – **we will give you a full refund.**

TEMPERATURE CHECK

We will be checking temperatures each day. When you arrive, before you unpack, immediately go to the trial secretary's area to get your temperature checked. When it is checked you will be given a wristband. You will not be allowed in the ring without a wristband.

NOTES ABOUT THE SHOW

- Masks/face coverings **are required at all times**, except when running your dog, when eating or when you are in your car.
- Please be aware of who is around you and practice social distancing.
- We will provide sanitizer for our workers and the restroom, but exhibitors need to bring their own sanitizer.
- PPE – please take any personal protection equipment you use home with you. Do not put it in the trash cans.
- Bathrooms will be supplied with sanitizer, paper towels and disinfectant in the stalls. Do not put anything in the toilets besides toilet paper! The sink will have liquid soap. Please wash your hands. The exterior door will be propped open. Please leave it that way.
- Be prepared for the show to run slower than normal.

HERE'S WHAT TO EXPECT:

- Crating - Set-ups are to be 8'-10' apart. There is plenty of room at Freedom Park. Help us make it as safe as possible.
- Maps - maps will be sent to you the evening before each show and will be on the website at the beginning of the judging schedule. Maps will be put on the Agility Gate app. Maps will be posted in two places at the show so you can take pictures of them. We will not have any printed maps available.

- Briefings –We will have a short briefing at the beginning of each group. For all briefings, the judge will be inside the ring. Everyone else will be outside the ring 6' apart.
- Measuring – it is not required that you be measured.
- Walk-throughs – Further down in the judging schedule will be a list of what jump heights will walk together in each class. We expect to keep the number of people walking at one time between 20 and 25.
- Gate Steward – will be using the Agility Gate app. You can do everything on the app except move your dog around if you have multiple dogs in one jump height. The gate steward must do that at the gate.
- Ring Gates – we will have gates at this trial.
- Masks/face coverings – you can remove your mask/face covering when you are in the ring. At the end of your run, put your dog's leash on inside of the ring. We will have an area marked off outside the exit gate where you can put on your mask – **replace your mask before you leave this area!**
- Face shields – if you chose to wear a face shield, please bring a mask for going in and out of the ring as there is no way to transport your face shield from the start to the finish.
- Leashes – **We will have a leash runner.** The leash runner will transport the leashes with a leash grabber that will be sprayed with disinfectant. You can also choose to keep your leash on your body.
- Results – will be posted on both sides of the trailer.
- Ribbons – will not be self-serve. There will be a ribbon station at the trial secretary's table with a person handing out ribbons and labels. Please line up 6' apart to get your ribbon.

WORKERS:

All worker stations will be equipped with sanitizer, gloves, and disinfectant.

All workers must use their own chair.

Timer/ scribe, gate steward, trial secretary, judge and ribbon areas will be taped off 6' in each direction.

- Jump Setters – can choose to wear gloves or use sanitizer before they pick up and after they put down a jump bar
- Timers and scribes will sit 6' apart. Their area will be taped off so no one can get within 6' of them. Please do not bother the timer/scribe. When finished they will wipe down the timer and table with disinfectant
- Gate Stewards will have their area taped off so no one can get within 6' of them.

If you miss the deadline for move-ups, you may move your dog up the first day of the show for any **subsequent** days even if you are not showing a dog that day. In addition, a friend may do the move-up for you if you are not there. However, you may not move up the day of the show for that day.

There will be day-to-day move-ups at the show provided the Trial Secretary receives them within 15 minutes after the end of the last class. There will be no move-ups in the morning before the start of the trial.

JUDGE:

Debby Wheeler - Saturday & Sunday - All Classes

MEASURING:

Debby is a VMO and her current criteria for measuring a dog is this: Handler must be able to leave the dog standing on the table and walk back 6' from the dog in accordance to social distancing criteria. The dog MUST be able to stand quietly while she places the wicket on the dog's withers and get a good measurement without the handler moving in to help settle the dog. The dog MUST be able to accept a stranger wearing a face mask who will be touching the dog. If you do not believe your young dog is yet capable of this, then do not get measured at this time. There will be plenty of opportunities once we are through this pandemic.

Listed below are arrival times for each day. Start times are listed for each day.
